ANNOUNCEMENTS:

- Mac McCollough has volunteered to do some weeding and trimming

NEW LIFE CENTER

- Two new air conditioners need to be purchased
- Stained glass work on hold

CHURCH

- The elevator is fixed and back in service. Property damage claim filed and approved.
- The materials for the lighting project have been ordered. When they come in work will be scheduled
- The gutters are in good shape per Service Roofing
- Will put off cleaning of the tile/grout until spring
- Sean and Al will look at the steps again and see if any temporary patch can be done
- Fr. Bullock will get a task force together for the gathering space
- It was decided that when some one uses the kitchen to have the hood fan on to help regulate the heat
- There much discussion about the temperature control that went out when the boiler use changed. The committee asked Toni to go back to the two vendors to clarify the cost of replacing valves and actuators as part of the project.

SCHOOL

- All doors, carpet, and light covers are complete
- Steve will work on the tile in kitchen
- Some ceiling rooms need to be painted. Bids will be discussed by Fr. Bullock, Aaron and Toni

Parish Center

- Clean and carpet cleaning pending

GROUNDS

- Asphalt repair scheduled for 8/7/18, pending weather

Next meeting September 10th, 2018
